THE ORBIE AWARD

The ORBIE® has been presented to every winner since the inception of the Awards in 1998. The ORBIE Award is synonymous with the excellence the Award represents, meticulously handcrafted from steel and crystal - symbols of honor and achievement. The ORBIE signifies exceptional leadership, innovation, and vision; representing the characteristics and qualities that inspire others to achieve their potential.

THE ORBIE AWARDS

The ORBIE® Awards is the premier technology executive recognition program in the United States. Since inception in 1998, over 500 technology leaders have received the prestigious ORBIE Award. The ORBIE honors chief information officers who have demonstrated excellence in technology leadership. Finalists and winners are selected by an independent peer review process, led by prior ORBIE recipients, based upon:

- Leadership and management effectiveness
- Business value created by technology innovation
- Engagement in industry and community endeavors
